“ So sorry to hear of cousin Anita's passing. Yes, Anita was more than kind and compassionate. I remember visits to her family home as a young child. When we were not visiting Lorain, Anita and I wrote letters back and forth from the time that I was in 4th grade until I was in my early 20's. A few times Anita and her sister Helen even chaperoned my sister Marlene and me in Cleveland when we came to see our baseball hero Dick Stuart of the Boston Red Sox play the Cleveland Indians. How they indulged two immature teens! Anita and Helen even took us to a beautiful Polynesian restaurant. Such wonderful memories. Our love to Helen. May Anita Rest In Peace.
