“ Working with Bryant was always with a smile on his face, never had a bad word about anyone. I remember when he won all that money I forgot how much, but I thought he meant dollars, but he just laughed and said no nickels . He and Judy was just a loving couple. My heart breaks for her and all his family, such a nice guy. We had some good times at our retiree breakfasts. Rest In Peace dear Bryant.

Doug and David I am so sorry for the passing of your father. My dad working with him at the phone company. Every time your father he would put his hand and say Mr Haupt. It made me feel like an adult. His body may be gone but his spirit will live on through you 🙏
