“ *Carol was a great sister in law, was like my sister. I Loved her dearly. When we could both get out we went to Olive Garden and got lasagna, dessert and coffee. And talked for hours in restaurant and then in car. She will be greatly missed. I Love you Carol!* 🙏❤️☕☕ ”

*Oh I so loved her and she showed me so much love when I really needed it.. Remembering staying up late at her house during the summers watching old movies, drinking hot tea and having long talks about anything and everything. RIP sweet sister in law*
