“ I met Jack thru Hali, and my husband David Forbes was friends with him, always nice and kind. After Hali passed, when he lived on Triskett I use to babysit his big Dobie who was diabetic, he was a hoot and that dog would always great me with happiness, and if I was on my phone he would lay his head in my lap. Jack was the car expert in my eyes. And he was just one of the nicest guys I knew. Prayers out to his family and friends, and he will not be forgotten 🙏
