“ There are so many memories of the Dumkes! Rousing and heated arguments at family reunions, the overcrowded and festive house on Middle Ave at Christmas, graduation and wedding events of the many cousins! And I cannot leave out those boisterous Pinochle card games!! One of the most wonderful I have of Elsie is a lunch I joined when visiting Ohio. Elsie, my mother and myself had headed off to see “Bid” (one of their older sisters) in Norwalk. We ended up at Olive Garden. What a joy is it was to listen to the three of them share stories and memories – and how we laughed! Once we had dropped Bid back home, Elsie and I wanted some dessert. We set off on a bit of an adventure to find a place that Elsie recalled having had great cheesecake. We did eventually find it, and though I cannot recall what kind I ate, I do know it was delicious and we felt like kids in a candy store!! Elsie was/is a joy and will always hold a place in my heart and memories!

“ My favorite memory of Aunt Elsie was when we had Hammond family reunions, especially as she enjoyed playing in our softball games so much! I can picture her now standing at bat with a big smile on her face, ready to smack that ball hard! And probably taunting the pitcher at the same time!
