“ I met Glen when I was 14 ,he was best friends with Ronnie Cervantes ,my boyfriend at the time. We did a lot together with him and Tonya.When our kids were little, he would take us out on his boat fishing for walleye, they limited out,we had so much fun. Thank you Glen for the kindness and good times we shared.From Carrie Cervantes

*I'll never forget when I was in 8th grade and Glen walked past me and punched me in the stomach. I didn't even know him. Nice guy. It's been almost 50 years and that's my memory of him.*
