“ I remember me and you hanging out all the time when you were young I would stay at your house..we talked about anything and everything ...I could tell you anything and that was between us ...I can't believe this that you are gone ...I remember when you came and seen me and hung out with me last March ..that when you told me that I was the first one you wanted to see and we told each other we had things to catch up on ...I just dont understand you were like a sister to me not just a cousin ...I'm going to miss you so much..love you to death ...but I know you are with your dad sister and cousin Tasha and my mom too..I'm so heartbroken that you are gone . 🥹🥹🥹

“ My heart goes out to Holly and her entire family. I have known Holly for a very long time and will never forget the bond that developed when she assisted me with caring for my newborn twin daughters! She was a godsend. We also helped each other through the losses of our siblings. May she rest in peace. It hurts my heart to know she was taken so soon but it does bring a little solitude knowing she is with her daddy and her sister. I pray for comfort and peace for her children during this time.
