I am so grateful I got to know Jack when he subbed at the Lorain County JVS. He subbed a lot and would come into visit me in the mornings - I think he knew I also was an English teacher. He would walk in with his newspaper in his hand and talk to me for awhile - we had some wonderful discussions. My husband Jim had Jack as a teacher in the Lorain City Schools- he said he was a wonderful teacher who cared about his students.
My sympathy to your family but I'm sure you know Jack touched many lives that will always remember him and think highly of him because of they were treated by Jack - he always had a great smile so to me that meant he was very happy what he was doing !!
