“ I worked with Jim for many years at the Lorain Post Office. He always had a smile on his face, always laughing and just a nice person to everyone. Never heard him say anything bad about anyone. My condolences to his family. May he rest in peace.

“ Susan condolences to you & family. Jim was my brother Johnny's very good friend. He would hang out with our family when we lived at the Leavitt Rd projects. He would have dinner with us & was a part of The Band singing "Kansas City" where so many people would gather in our front yard. We loved him, embraced him and today I lost a piece of my childhood. God has a magnificent Angel. Hope you reunite with all my Marquez family. Johnny's waiting.
