“ Hello, my name is Donna Miller Phillips. I went all through school and graduated with Jody. She was a wonderful friend. You might remember me also through my Mom Esther Miller who worked with your Mom at Hills Dept. Store on 57 and Homewood Dr. Also we lived one street over on Meadow Lane. I haven't seen Jody in many years. However I hope she was surrounded by family and the Lord Jesus at the time of her passing. Blessings to you all.

My husband Ray was a friend of Bud and Jodi. He escorted Bud's body home for the funeral. Years passed and we ran into Jodi at DrugMart. What a blessing that we were able to spend a long lunch with her sharing memories and updates on our lives. Recently I had texted her in July about having a girls lunch with her. We never got that chance. We are heartbroken for her family. Love, Ray and Lynne Bally
