“ *Heaven gained another Slovak sweetheart...my friend Marcella Dolores gained her angelic wings.*

Great memories of Marcie growing up...so much fun. Introduced me to scrambled eggs...her versions of many children's stories only she could conceive...lol. Her days with the PLAV Ladies Drill Team are priceless memories of these "adopted aunts" of mine that were fun and hilarious to be around....again, great memories.

May you her nieces and nephews be comforted with your memories.
