“ *Marge,
you'll be missed. Terri and I so enjoyed being your's and Julius's neighbors for over 50 years.
Memories of your Mom, Grandma Maytas, come to mind when she asked Terri if she could borrow our cat "Radar" to protect her vegetable garden from the rascally Bunnies and various other pesky critters.
So many happy events over many many years.
May you rest in peace in God's arms, and catch up the last few years with Julius*

*Dearest friend,
Farewell!
I remember the first day we met. Julius introduced us at the Bendix Westinghouse and we were best friends from that day onward. That was after WWII. Remembering you, grandma and Walt speaking Hungarian together. Julius and I had no idea what you were saying.
All my love goes with you.
Your forever friend
