“ Michelle, when we met at Wild Root Yoga I felt your warmth and sincerity immediately. The electricity and energy you brought to the room was infectious. You were my very first student that was in the parking lot before I arrived to enter the studio, and I will never forget the date and nut snacks you shared with me.

I will remember you always,

Joe

“ It’s incredibly hard to put into words what it meant to work alongside Michelle for the last several years. Michelle brought so much to our company: a deep understanding of the industry, a relentless drive to do things the right way, and a sense of humor that could brighten even the toughest days. Whether we were out in the field, navigating a challenge, or simply catching up between meetings, Michelle’s presence always brought calm, focus, and often a well-timed laugh. I will miss her genuine kindness, selflessness, and support. My heart goes out to Michelle’s entire family, friends, and everyone whose life was made better by knowing her. I am grateful to have known Michelle, and I will miss her dearly. Sincerely,
Richard Sharp

“ Michelle, your positivity and friendliness will not go unforgotten. I remember our time playing volleyball as Comets for Cogan and carpooling to and from the HV. Condolences to the family. This broke my heart to see. Prayers for healing.

“ I knew Michelle through her practice at Wild Root Yoga, and from the start, she felt like a good friend. She was a bubbly, bright ray of light every time she entered the studio. I looked forward to seeing her regularly and the absence of her energy when she traveled for work was noticeable. She brought a beautiful presence into our space, which will be greatly missed. Her loving spirit touched so many hearts during her time at Wild Root. Om Shanti Om Shanti, peace to her journey and peace to all who loved her. ☐☐
