*Our deepest condolences to you and your family. Nelson was an awesome friend, I remember when he picked me up to go to school in his beautiful car that he named THE FOX, it was Blue and light blue. I also remember the yellow and white convertible 1967 Pontiac GTO, the best looking car in South Lorain, in fact it was so good looking that somebody stole it. I had so many good memories of Nelson and Doris. Doris I'm unable to travel to Lorain but if you need something or if there anything my wife and I could do for you and the kids let me know. R.I.P. my friend Nelson.
