

Riley Tuyet Demich

January 31, 2023 - October 28, 2023

Riley Tuyet Demich, 9-month-old infant daughter of Michael Demich and Bong Nguyen passed away Saturday October 28, 2023 at Rainbow Babies & Children's Hospital in Cleveland. In addition to her parents, she is survived by her maternal grandparents Bien Nguyen and Bao Vo, paternal grandparents Raymond & Irene Demich and many aunts, uncles and cousins.

Riley was born with a very rare and life-threatening congenital birth defect that prevented her from safely leaving the hospital. She spent her entire life in the intensive care unit battling illness and health issues until her defect was finally repaired in a complex and lengthy surgery at Cincinnati Childrens Hospital in May of this year.

Riley was known for her toughness, resilience, and sassiness. At only a few months old, she battled and overcame recurrent pneumonia, serious blood infections, and ten days on life support. Even through all the adversity that she was faced with, she managed to always keep smiling. She was well known for the big toothless grins she would hand out to everyone she met.

Despite never leaving the hospital and being unable to meet most of her family and friends, Riley was still so loved by everyone and will forever remain in our hearts.

A Celebration of Life will be held Saturday November 4, 2023 from 1:00-4:00 pm .at the Gluvna-Shimo-Hromada Funeral Chapel, 3224 Broadway, Lorain.

Memorial contributions can be made to the Ronald McDonald House, 341 Erkenbrecher Ave, Cincinnati, OH 45229

“ I am so heart broken for you Michael and Bong. Also can not believe that beautiful girl is gone. Caring for her was such fun and a pleasure. She had such a great personality despite what we asked of her. Her smiles lit up my day. She will be missed but never forgotten. She was truly an original sweetheart. “ Sweet and sassy Riley girl. I will truly never forget you. Just being around you could make anyone smile. Bong and Michael, the strength, advocacy and unending love you provided to Riley truly made every difference. Walking alongside your family during your NICU journey at CCHMC was a distinct privilege in my career. Sending you both all of my love and sympathy.

“ Riley was my first primary baby, and I loved being able to care for her every shift for 3 months. I looked forward to coming into work every night and picking out her PJs and matching quilt. She would always stare up at her mobile until I turned it on and she loved looking at her fish tank! She loved head rubs and chest pats. She was such a smart, strong, sweet, sassy girl. She taught me a lot, and I will never forget her. My thoughts and prayers are with you, Bong and Michael.

“ My smiley Riley! I'll never forget the first time I was assigned to her! I knew right then I was going to join her care team and I am so glad I did. To know Riley was to absolutely adore her! She was one tough little cookie and she proved that over and over again. She had the most amazing parents by her side every step of the way which is why she was the most appropriate and smiley baby ever! Bong and Michael, thank you for letting me be a part of your journey! All she ever knew was love and that is solely because of you guys. You all will continue to be in my thoughts and prayers and I'll carry Riley around in my heart, always!

“ Words cannot express the sorrow I feel at the loss of your beautiful and courageous daughter. Please know that you guys are the nothing short of amazing, being there continuously for your little girl, fighting and advocating for her every step of the way. Her smile was absolutely contagious and I feel so humbled and privileged to be even a small part of the medical team who got to take care of her. Her life, even though seemingly short, was momentous and grueling, but despite this she managed to take things in stride, stay happy, and bring light into every person's heart who took care of her. Please know that I am praying for you and your family for healing and hope your sweet memories carry you through.

With love,

“ I always looked forward to seeing Riley, even on her hard days. She may not have been her happy smiley self, but she would hold my hand so tight and look directly at me. She taught me a lot, and I have thought about her (and her pigtails) often. I will always remember her and the tremendous love her parents had for her.
