“ I will miss "Uncle Bob" as I am one of the sons of Kathy George, sister of my beloved and dear Aunt Judy. Uncle Bob took the time to always show me things when my family and I would visit the house over the years, and I appreciate everything he did and such a strong example for us all. I am also thinking about you all a lot, because I was saddened to hear of the passing of Aunt Judy, and now Uncle Bob. I especially give my love to Christine, Brian and all of your families, I have a very empty spot in my heart, however, I know that Uncle Bob would be proud of everything that I am doing, I will miss him dearly and greatly.
